(23 November 2024)

The 52nd Cadet Induction Course Graduation Ceremony cum the Establishment Ceremony of the N.T. Heung Yee Kuk Yuen Long District Secondary School Platoon, New Territories West Yuen Long Company of the AMS Cadet Corps was successfully held on 23 November 2024 (Saturday). A total of 37 students from our school successfully completed the 52nd Induction Course and will officially participate in future regular training. We hope that our students will work hard and actively engage in various training, activities, and services, doing their utmost to contribute to society.

The Cadet Corps is committed to equipping its cadets with professional knowledge and skills in a range of aspects, such as healthcare and public hygiene, focusing on the whole-person development of core healthcare principles. It will also help them develop good manners and character through discipline training, enabling them to grow into the pillars of society in the future.

Induction course for new cadet members (three days, 24 hours in total) include AMS orders, first-aid skills, foot drill, discipline, and basic etiquette.
