

Guangzhou Sister School Study and Exchange Tour

(20-21 December 2024)

From 20 December (Friday) to 21 December 2024 (Saturday), under the leadership of the Assistant Principal LO Wai-yan, Ms. FUNG Pui-fun, Mr. LIN Chun-hei and Ms. CHEN Qiqi, 39 S.1 – S.5 students from our school traveled to Guangzhou. We visited our sister school, Guangzhou Zhixin High School, and explored nearby locations, including Canton Tower, Yongqing Fang, Cantonese Opera Art Museum, and Guangzhou Cultural and Arts Centre. We also took a night cruise on the Pearl River. The exchange programme deepened our students' understanding of the history, culture, education system, and recent developments of our Motherland, enhanced the friendship between the teachers and students of our school and our sister school, and strengthened students' sense of belonging and national identity towards our country.
