Hong Kong Secondary Schools Software Development Invitational Contest 2024

(25 January 2025)

6E LAM Chi-hang won the **Gold Medal** (Senior Group) in the Hong Kong Secondary Schools Software Development Invitational Contest 2024. It is organised by the Hong Kong Association for Computer Education.

The Hong Kong Secondary Schools Software Development Invitational Contest (SDIC) is organized by the Hong Kong Association for Computer Education. Full-time secondary school students in Hong Kong can participate in the CSP Non-Professional Level Certification (CSP-J/S) through the SDIC competition, and their results will be counted as their SDIC competition scores. The Award Ceremony was held on 25 January 2025 (Saturday).
