

The Mathematical Modelling Competition for Secondary Students (MMCSS) 2024/25

(29 March 2025)

4E LEUNG Nga-yau, 4F CHAN Lok-hang, 4F LIANG Eddie and **4F ZHU Michael** won the **Excellent Performance Award (Senior Secondary Category)** in the Mathematical Modelling Competition for Secondary Students (MMCSS) 2024/25, organized by the Education Bureau and The Chinese University of Hong Kong. In a highly competitive field of nearly 90 teams in the Preliminary Round, **only 8 advanced to the Finals—including ours**. Their exceptional performance earned them the Excellent Performance Award (Senior Secondary Category) in the Finals. The Award Presentation Ceremony was held on 29 March 2025 (Saturday).

The competition is a part of the Programme on ‘Promoting Mathematical Modelling for Teachers and Students in Secondary School’. In the competition, students are required to demonstrate their understanding in Mathematical Modelling and applications of Mathematics in solving a problem based on real-life scenario.
