

## **School Campus Cleaning Campaign**

(3 March 2025)

The School Campus Cleaning Campaign took place on 3 March 2025 (Monday), during the Class Teacher Period in the afternoon. Students, teachers, together with parents actively participated in the campus-wide cleaning activity. The event aimed to enhance students' awareness of environmental hygiene while providing them an opportunity to cultivate positive values and attitude such as diligence and a sense of responsibility.

Our students clean the classroom with care and attention to detail

Principal YUEN, Assistant Principals, teachers and parent volunteers, actively participate in the campaign

Students work hand-in-hand to clean their classroom

The cleaning staff serves as judges, while students listen attentively to their feedback
