

**Guangzhou Sister School Study and Exchange Tour**  
(19-20 December 2025)

From 19 December (Friday) to 20 December 2025 (Saturday), under the leadership of Ms. FUNG Pui-fun, Ms. YAU Hau-yin and Mr. NG Chi-fai, 30 S.1 – S.3 students from our school traveled to Guangzhou. We visited our sister school, Guangzhou Zhixin High School, and explored nearby locations, including Canton Tower, Yongqing Fang, Cantonese Opera Art Museum, Guangzhou Urban Planning Exhibition Centre and Shameen. We also took a night cruise on the Pearl River. The exchange programme deepened our students' understanding of the history, culture, education system, and recent developments of our Motherland, enhanced the friendship between the teachers and students of our school and our sister school, and strengthened students' sense of belonging and national identity towards our country.
