

Interview at RTHK Radio Programme Teens for Green

(26 January 2026)

4D LEE Nim-yan, **4E CHAN Pui-yan**, **4E HONG Karen**, **4E LAW Pui-ching** and **4E TU Emily** were invited by the Hong Kong Green Building Council to participate in an interview recording session for the RTHK radio programme ‘Teens for Green’ on 26 January 2026 (Monday). Students participated in the ‘My Green Space’ Student Competition 2024-2025 organised by the Hong Kong Green Building Council Limited (HKGBC) and won the **1st Runner-up**. Subsequently, they were invited to join the programme.

During the recording process, the students shared the design of their competition entry and their daily practices of environmental protection. They also interviewed Ms. Grace KWOK, Task Force Convenor of the Student Competition 2024-2025, to exchange views on the competition and promote environmental protection. Ultimately, it was a truly memorable learning experience.

Details of the broadcasting are as following:
