

## **Campus Clean-up Day**

(10 February 2026)

The Campus Clean-up Day took place on 10 February 2026 (Tuesday). During the Class Teacher Period in the afternoon, students, teachers and parents actively participated in the campus-wide cleaning activity. The event aimed to help students understand Chinese traditional customs, and enhance students' awareness of environmental hygiene while providing them an opportunity to cultivate positive values and attitude such as diligence and a sense of responsibility.

Our students clean both inside and outside the classroom very thoroughly.

Our students are diligently cleaning every corner of the classroom.

Our students work together, each fulfilling their role, and clean the classroom comprehensively.

The cleaning staff serves as judges, while students listen attentively to their feedback.
