

## Parents and Teachers Association Chinese New Year Celebration: Spring Couplets Writing

(13 February 2026)

On 13 February 2026 (Friday), with Chinese New Year approaching, our school's Parents and Teachers Association (PTA) successfully hosted the festive event 'Chinese New Year Celebration: Spring Couplets Writing'. Principal YUEN, Assistant Principals, PTA committee members, teacher representatives, and many parents participated with great enthusiasm, creating a lively and joyful atmosphere filled with seasonal spirit.

Throughout the event, participants were fully engaged, writing auspicious phrases such as 'Happy Chinese New Year' and 'Good Fortune and Prosperity' on traditional spring couplets. The brushstrokes varied in thickness, with vigorous lines that showcased impressive calligraphy skills. Participants proudly displayed their finished work and posed for commemorative photos, sharing heartfelt blessings for the year ahead.

This meaningful occasion not only celebrated the beauty of Chinese calligraphy but also embodied the cultural tradition of 'bidding farewell to the old and welcoming the new.' The PTA hopes that through such an event, home-school collaboration will be further strengthened, fostering a positive and vibrant campus culture while ensuring that traditional arts continue to thrive within the school.
