

S4 Prefect Leadership Training Camp

(14 – 15 March 2026)

Our Discipline Team organized a two-day, one-night S4 Prefect Leadership Training Camp from 14 March 2026 (Saturday) and 15 March 2026 (Sunday).

During the camp, two current Head Prefects engaged in exchanges with S4 prefects who aspire to serve as Head Prefects or Prefect Leaders in the coming year, and handled various challenges together. The activity helped the future Prefect Leaders develop a strong sense of commitment and the ability in solving problems, and prepared them for future leadership roles.

Our group photo is filled with joy and unity

The prefects work together closely during the group activities

The prefects are really looking forward to this ‘Racing Challenge’, with everyone racing against the clock on the ‘track’

Collaborative games foster mutual trust among the prefects

Prefects participating in the night activities, maintaining orderly and disciplined formations

With unwavering determination and a fearless spirit, students unleash their potential to overcome all challenges

Group games foster mutual trust among the prefects

The prefects overcome challenges hand in hand to forge a strong bond
