

Yuen Long District Junior Police Call National Security Pickleball Competition

(12 April 2026)

The Yuen Long District of the Hong Kong Police Force and the Yuen Long District Junior Police Call Honorary President Council jointly launched the 'National Security Pioneer Programme'. Through a combination of activity and learning, the programme deeply integrates the emerging sport of pickleball with National Security Education. Its aim is to cultivate in young people values of patriotism and law-abidingness, help students understand the latest developments in our country, and strengthen their sense of responsibility for safeguarding national security.

Under this programme, our school's 13 National Security Pioneers participated in the Competitions in the Yuen Long District and National Security Education Training from March to April 2026. This included formal pickleball skills training at school, followed by a visit to the PLA Hong Kong Garrison Exhibition Centre at Ngong Shuen Chau Barracks and screening of the film 'Operation Hadal' on 28 March 2026 (Saturday).

The programme's final event, the 'Yuen Long District Junior Police Call National Security Pickleball Competition', was held on 12 April 2026 (Sunday) with participation from National Security Pioneers representing 28 primary and secondary schools. Our students performed brilliantly, ultimately clinching the **Championship** for the 'National Security Shield' in the Secondary School Category.

Participating Students	
1A LAU Ka-yi	2C SIN Sum Anna
1C LAI Chi-ho	2C WONG Ting-hong
1C LEE Ho-lin	2D SIN Ching Bella
1C SHEK Yu-tsin	2D WAN Pui-yee
