A Journey Through Time: Appreciating Chinese and English Literary Treasures

(28 April – 30 April 2026)

From 28 April 2026 (Tuesday) to 30 April 2026 (Thursday), the School Library, in collaboration with the Chinese Language, English Language, Chinese History, and History departments, successfully hosted the Cross-curricular Book Fair, themed ‘A Journey Through Time: Appreciating Chinese and English Literary Treasures’. The Book Fair featured a carefully curated selection of Chinese and English books focused on traditional Chinese culture and history. The activity included an interactive sharing session where students could exchange their reading insights, and participants were rewarded with beautiful souvenirs.

This book fair provided a wonderful opportunity for students to immerse themselves in classic literature and appreciate the beauty of both languages. Through reading, students not only enhanced their biliteracy and trilingualism alongside their independent language learning skills, but also deepened their understanding of history and traditional Chinese culture.
