

Smoke-free Elite Teens Programme 2025-2026

(19 May 2026)

Two teams of our students attained remarkable achievements in the ‘Smoke-free Elite Teens Programme 2025-2026’, co-organised by the Hong Kong Council on Smoking and Health and the Education Bureau. **Team 1** was awarded **Championship**, and **Team 2** was named **First-Runner up**. Both teams were also honoured with the **Gold Award** of the Merit Teams.

Our school has participated in the programme for 13 consecutive years, consistently achieving outstanding results. The programme aims to enhance students’ understanding of the hazards of smoking and the importance of tobacco control, empower them to become future leaders, and promote a smoke-free culture within the community. It places emphasis on developing students’ knowledge and skills, as well as their abilities in project planning and execution.

After learning about tobacco control and its associated risks, our students organised a range of smoke-free advocacy activities both on campus and in the community. These activities were conducted during Smoke-free Week, held from 16 December 2025 (Tuesday) to 18 December 2025 (Thursday), to promote the message of a healthy, smoke-free lifestyle. The ‘Smoke-free Elite Teens Programme 2025-2026’ Showcase cum Sharing Session was held on 19 May 2026 (Tuesday).

Award	Awardee	
Champion and Gold Award of Merit Teams	Team 1	4E LAU Jeanne-kieu (Leader)
		4D WANG Yau-yuet
