

## Kick-off Ceremony cum Carnival for World No Tobacco Day

(30 May 2026)

The Hong Kong Council on Smoking and Health held the ‘Kick-off Ceremony cum Carnival for World No Tobacco Day’ on 30 May 2026 (Saturday), calling on all sectors of the community to actively support strengthened tobacco control measures and work together towards a smoke-free Hong Kong. Under the theme ‘Unmask the Tobacco Temptation, Unite for a Smoke-free Power’, the Council organised a series of promotional and educational activities, alongside a carnival that created a lively atmosphere.

The champion team (Team 1) of our school’s ‘Smoke-free Elite Teens Programme 2025-2026’ was invited to attend the ceremony and take part in a dialogue with guests. They shared insights on the harmful effects of smoking and expressed their aspirations for a smoke-free generation. In addition, students promoted smoke-free messages to the public through games booths at the carnival, advocating healthy lifestyles and spreading the positive message of staying tobacco-free.
