

2026 Constitution and Basic Law Territory-wide Inter-school Competition

(21 July 2026)

Our students recently participated in the ‘**2026 Constitution and Basic Law Territory-wide Inter-school Competition**’ organized by the Education Bureau, and were honored with **The Active Participating School Award**. The event aimed to enhance students’ understanding of the Constitution and the Basic Law and the importance of ‘One Country, Two Systems’.

In addition, our students demonstrated outstanding performance in the ‘**Territory-wide Inter-school Constitution Speech Competition (2025/26)**’, also organized by the Education Bureau, winning the **Active Participating School Award (Junior Secondary Section)**. This competition aimed to cultivate a comprehensive and accurate understanding of the Constitution among students, helping them recognize its fundamental role as the foundation of the national system and governance. It also highlighted how the Constitution is closely intertwined with the nation’s future development, carries the vital mission of safeguarding national security, and instills a shared responsibility to uphold its dignity.
