

End of School Year Ceremony 2025/26

(10 July 2026)

The End of School Year Ceremony 2025/26 of our school was successfully held on 10 July 2026 (Friday). All teachers and students attended the Flag-raising Ceremony and the End of School Year Ceremony at the School Hall, coming together to witness the successful conclusion of an academic year filled with cherished memories and touching moments.

Following the Flag-raising Ceremony, the retiring Principal YUEN delivered his address. Reflecting on his thirty years of service at Heung Chung, he described the school as not merely his workplace, but his home and his lifelong mission. Principal YUEN shared what felt like a destined connection between him and the school – his name is hidden within the lyrics of the school song, and the school's English abbreviation includes his initials, 'YKY'. These coincidences have always made him feel a wonderful serendipity binding him to Heung Chung. He expressed his deepest gratitude for the selfless dedication of the Assistant Principals, teachers, and staff over the years, as well as the unwavering support from parents and alumni, emphasizing that the school's achievements stem entirely from teamwork and a shared care for the students. He also extended a special note of thanks to his wife and daughter, who have been his pillars of strength throughout the years.

Principal YUEN encouraged students to uphold the school motto, 'To build a strong foundation through dedication; to pursue excellence with perseverance and diligence', motivating them to build a solid foundation and study diligently so they may contribute to society and the nation in the future. He advised students to make good use of the summer holiday to enrich themselves and wished everyone a bright and promising future. In closing, he expressed his heartfelt wish for Heung Chung to continue to thrive, and for the spirit of the school motto to be passed down from generation to generation.

Subsequently, departing and retiring teachers shared their parting reflections, offering words of encouragement and warm blessings to the students. Our Assistant Principals Mr. LO Wai-yan, Mr. KWOK Wing-man and Ms. KWAN Ki-shun, alongside the teachers-in-charge of various functional teams, also provided students with important reminders for the upcoming break. Following the Prize Presentation, all teachers and students sang the school song in unison, marking the end of another fruitful, heartwarming and truly unforgettable school year.
