

Commencement of 2026/27 School Year

(1 September 2026)

The commencement of our school's 2026/27 School Year was successfully held at the school hall on 1 September 2026 (Tuesday).

Principal CHAN first led all teaching staff members and students to attend the flag-raising ceremony. He then gave a speech and expressed his heartfelt gratitude to teachers who have left our school for their effort and contribution. He then welcomed all S1 students and the newly appointed teachers.

Our students shone in different aspects including academic performance, personal qualities and character, extra-curricular activities. Principal CHAN announced the results of 2026 HKDSE, in which our students got excellent results. He expressed his gratitude to all teachers for their concerted effort. He also encouraged S.6 students to continue to strive for excellence in the coming public examination.

This year, Principal CHAN motivated students to foster a fulfilling and fruitful year with three 'I's, wishing that students would find inspiration in their work, uphold their integrity by doing the right thing even when unseen, and never underestimate the impact they could have in making a difference.

After the Principal's speech, the Assistant Principals, the Discipline and Guidance Teams, as well as other functional teams had some reminders for all students. Our school social worker also shared with our students, warmly inviting them to visit the social worker offices anytime. After that, Ms. KWOK So-gau explained the meaning of the lyrics of the school song to students, highlighting how the lyrics are deeply embedded in Chinese culture and traditional virtues, while also reflecting Heung Chung's history.

Prior to the closing of the ceremony, Principal CHAN presented badges to the newly appointed Head Prefects, 5E CHAN Pui-yan, 5E FUNG Mau and 5E LAU Jeanne-kieu, as well as 84 newly appointed School Prefects to lead and be role models in the new academic year.

Commencing the academic year with the National Flag-Raising Ceremony
