

Mooncake Treat to S6 students by the Principal and Parents and Teachers Association

(23 September 2026)

Principal CHAN, together with the Parent-Teacher Association, presented mooncakes to Secondary 6 students as a gesture of love and encouragement for their HKDSE preparation. The event conveyed warm wishes from parents and the school, showing students that they are fully supported on this important journey. Principal CHAN encouraged students to stay focused and face challenges with confidence and perseverance. The mooncakes symbolised unity and blessings from the whole school. The joyful occasion strengthened the bond between parents and the school, inspiring S6 students to work steadily and strive for their best.
