

2025-26 ‘Affection Across Generations’ Essay Writing Competition

(16 September 2026)

Relying on her solid cultural foundation and delicate writing style, **5E LEE Wan-yung** won the **Merit Award** in the Senior Secondary School Category at the the 2025-26 ‘Affection Across Generations’ Essay Writing Competition. The event is part of The Hong Kong Jockey Club Community Project Grant: Mei Ho House Hong Kong Spirit Learning Project, organized by the Hong Kong Youth Hostels Association.

This competition aims to encourage primary and secondary school students to interview their elders about their past experiences living in public housing estates or other residences. By listening to these stories and documenting them in essays, students can depict familial love and the spirit of mutual support among neighbors, while rediscovering the resilient and hardworking ‘Hong Kong spirit’ of that generation. Through active participation, students can broaden their horizons, cultivating proactive and positive values.
