

Celebrating the 77th Anniversary of the Founding of the People's Republic of China:
Our School Choir Performs the National Anthem
at Golden Bauhinia Square Flag-Raising Ceremony and National Day Reception
(1 October 2026)

On 1 October 2026 (Thursday), accompanied by Principal CHAN and Ms. CHAU Linda, our school choir was deeply honoured to participate in the official National Day flag-raising ceremony and National Day Reception to celebrate the 77th anniversary of the founding of the People's Republic of China. Organised by the Government of the Hong Kong Special Administrative Region, the flag-raising ceremony took place at 8:00 a.m. at Golden Bauhinia Square outside the Hong Kong Convention and Exhibition Centre in Wan Chai. Community leaders and members of uniformed groups gathered to witness the solemn moment as the national flag rose aloft. This invaluable learning experience in civic and national education allowed our students to deepen their love for the motherland through the resounding strains of the national anthem, further strengthening their national pride and sense of belonging.

During the ceremony, our choir, together with students from Yuen Long Public Secondary School, proudly sang the national anthem under the lead of guest singers Mr. Alex TAM and Ms. Phoebe TAM, accompanied by live performance from the Hong Kong Police Band. Their resonant voices wove heartfelt devotion to the motherland into its solemn melody. Following the flag-raising ceremony, guests proceeded to the Grand Hall of the Hong Kong Convention and Exhibition Centre for the National Day Reception. Our choir was honoured to perform on this occasion, conveying sincere blessings through song and joining the guests in celebrating the nation's anniversary and wishing the motherland continued prosperity.

Dr. CHOI Yuk-lin, JP, Secretary for Education, warmly encouraged the participating students, emphasising that the national flag symbolises the nation's dignity and embodies its unity. She urged students not only to respect and cherish the national flag, but also to develop their abilities, character and sense of responsibility, so that they may bring greater lustre and honour to it in the years ahead.

Standing solemnly at this grand occasion, our students sang the national anthem with resonant voices and heartfelt love for the motherland, expressing their devotion to the nation and reverence for its flag. This treasured experience not only deepened their sense of national identity, but also kindled their patriotic spirit, strengthening their national pride and sense of belonging to the motherland.
