

Scenery and Imagery: Yuen Long Park Writing Lesson

(5 and 7 October 2026)

To enhance the writing proficiency of S2 students, the Chinese Language Department organised the ‘Scenery and Imagery: Yuen Long Park Writing Lesson’ on 5 and 7 October 2026 (Monday and Wednesday). Beyond traditional classrooms, students are able to sharpen their descriptive writing techniques by immersing themselves in the natural landscapes. During this outdoor lesson, surrounded by lush trees and traditional pavilions, students attentively observed their surroundings, capturing the subtle changes in colors, light, and shadows, and recorded their genuine reflections through words. With guidance provided by teachers, students also exchanged insights with their peers. The lesson concluded with a profound sense of fulfillment.
