

Evaluation Report for DLG-funded Other Programme (Gifted Education) (for school year 2020/2021)

Name of programme(s) / course(s) and provider(s)	Objective(s)	Target students (No./level/ selection)	Duration / Start Date	Deliverables	Evaluation	Expenditure
Gifted Education Programmes offered by local tertiary institutes or qualified organizations	To subsidize students to participate in gifted education programmes offered by local tertiary institutes or external organizations to explore and develop their talents	31 / S4-5 / nominated by HODs	The duration of courses vary from 3-6 days	Sharing to classmates	<p>Thirty one S.4-5 students were nominated by school and they have attended courses in different areas like Study of Mythology, Economics, Applied Biochemistry, Microbiology, Molecular Science, Color Chemistry, Forensic Chemistry, Astronomy and Mathematics. Students' feedback is very good as the courses provide more opportunities for them to explore, which further arouse their interest and deepen their understanding in respective subject areas. The learning experience of participated students will then be shared among their peers / classmates later in the academic year 2021/2022. Through participation, discussion and sharing, both gifted students as well as other senior form students would gain valuable eye-opening experience from all the programs joined.</p> <p>Program details:</p> <ul style="list-style-type: none"> ● CUHK Winter Program for the Gifted and Talented 2020 (Applied Biochemistry, Microbiology): Total \$10,560 (<i>completed</i>) ● HKUST Dual Program: Physics Stage I: Total \$7200 (<i>completed</i>) ● CUHK Science Academy for Young Talented Summer Courses (Color Chemistry, Astronomy, Maths): Total \$32,650 (<i>completed</i>) ● HKUST Enrichment Program for Gifted Learners (Microbiology, Molecular Science, Number Theory, Food Science): Total \$15,225 (<i>completed</i>) ● CUHK Summer Program for the Gifted and Talented 2021 (Mythology): Total: \$12,700 (<i>completed</i>) ● CUHK Enrichment Programme for Young Mathematics Talents: Total: \$ 5,900 (<i>completed</i>) 	\$84,235
