Evaluation Report for DLG-funded Other Programme (Gifted Education) (for School Year 2022/23)

Name of programme(s) / course(s) and provider(s)	Objective(s)	Target students (No./level/ selection)	Duration / Start Date	Deliverables	Evaluation	Expenditure
Gifted Education Programmes offered by local tertiary institutes or qualified organizations	To subsidize students to participate in gifted education programmes offered by local tertiary institutes or external organizations to explore and develop their talents	21 S4-5 students nominated by HODs	The duration of courses vary from 3-6 days	Sharing to classmates	Twenty-one S.4-5 students were nominated by school and they have attended courses in different areas like Study of Mathematics, Life Science, Physics, Applied Biochemistry, Debate and Public Speaking, History and Art . Students' feedback is very good as the courses provide more opportunities for them to explore, which further arouse their interest and deepen their understanding in respective subject areas. The learning experience of participated students will then be shared among their peers / classmates later in the academic year 2023/2024. Through participation, discussion and sharing, both gifted students as well as other senior form students would gain valuable eye-opening experience from all the programs joined. Program details: HKUST Dual Program: Maths (Pre-stage), Maths (Level 1), Life Science (Level 1), Physics (Level 1): Total: \$30,400.00 (completed) CUHK Summer Program for the Gifted and Talented 2023: Applied Biochemistry, Workshop on Debate and Public Speaking Skills, Love-to-write: Portraying Characters with an Enchanted Pen, Public Speaking Made Easy, Touring around the History and Culture of the United States of America, Modern Europe and the World, Art Tech Series: Human Anatomy for Artist and Figure Drawing: Total: \$44,220.00 (completed) CUHK EPYMT 2023: Towards Modern Algebra, Complex Numbers and Analytic Geometry: Total: \$5,846 (completed)	\$80,466.00
