

N.T. Heung Yee Kuk Yuen Long District Secondary School
Evaluation Report for DLG-funded Other Programme (Gifted Education) (for School Year 2023/24)

Name of programme(s) / course(s) and provider(s)	Objective(s)	Target students (No./level/selection)	Duration / Start Date	Deliverables	Evaluation	Expenditure
Gifted Education Programmes offered by local tertiary institutes or qualified organisations	To subsidise students to participate in gifted education programmes offered by local tertiary institutes or external organisations to explore and develop their talents	12 S4-5 students nominated by HODs	The duration of courses varies from 3-6 days	Sharing to classmates	<p>Twelve S.4-5 students were nominated by the school and they have attended courses in different areas like Study of Mathematics, Chemistry, English, and Art. Students' feedback is very good as the courses provide more opportunities for them to explore, which further arouses their interest and deepens their understanding of respective subject areas. The learning experience of participating students will then be shared among their peers/classmates later in the academic year 2024/25. Through participation, discussion and sharing, both gifted students, as well as other senior form students, would gain valuable eye-opening experiences from all the programs joined.</p> <p>Program details:</p> <ul style="list-style-type: none"> ● HKUST Dual Program: Maths (Level 1) , Chemistry (Level 1) Total: \$ 16,200 (<i>completed</i>) ● CUHK Summer Program for the Gifted and Talented 2024: “Public Speaking Made Easy”, “Figure Drawing and Human Anatomy for Artist, “Biochemistry and Travel Medicine” Total: \$ 20,720 (<i>completed</i>) ● CUHK EPYMT 2024: Towards Modern Algebra: Total: \$ 2,950 (<i>completed</i>) ● HKUST Summer Course 2024: Matrix Algebra, Mathematical Wonders in Biology Total: \$ 7,100 (<i>completed</i>) 	\$46,970.00

Name of programme(s) / course(s) and provider(s)	Objective(s)	Target students (No./level/selection)	Duration / Start Date	Deliverables	Evaluation	Expenditure
2024 International Chemistry Quiz (ICQ) by the Royal Australian Chemical Institute	To provide an opportunity for gifted students to apply their knowledge of Chemistry through external competition and encourage their exploration of the world of Science.	20 S4-5 elite students in Chemistry nominated by HOD	10 July 2024	Students were trained to join the competition	Our students achieved outstanding results in the International Chemistry Quiz (ICQ). The ICQ aims to promote students' interest in Chemistry and the role of chemists in our society. This competition attracts students throughout Australia and 20 other regions and countries around the world. Our students have performed well in the quiz: 2 Excellence, 6 High Distinctions, 4 Distinctions, 6 Credits and 2 Participation.	\$2,360.00
校本資優培訓 - [大嶼山 生態、地質、人文研究 培訓班]	To provide students with a comprehensive understanding of Lantau Island's ecology, geology, and human development through both theoretical instruction and practical field experiences.	20 S4-5 elite students in Geography and Biology nominated by HOD	From 31 Jan to 24 Mar 2024	Sharing to classmates	The learning experience of participating students will then be shared among their peers/classmates later in the academic year 2024/25.	\$30,800.00
基因工程訓練計劃-DNA Stream	To provide opportunity to elite students to experience advanced Bio-technology, such as DNA and protein, through experiments.	4 S4-S5 elite students screened by Biology Teacher	The duration of the course is 3days	Sharing to classmates	The course is fruitful to students as the rare opportunity to undertake experiments via using advanced equipment. Students conducted more in-depth research. The topics Gene Cloning, Gene Silencing, ELISA Test widened students' horizons. Their curiosity in Biology is enhanced. Students' have positive feedback to the course.	\$2,000
Total Expenditure:						\$ 82,130
